Our heavy-duty models are hand-built in Austria using premium components. Everything we make at Liebherr Professional is rigorously tested before it is boxed and shipped to ensure the highest quality. Each unit comes with a 2-year parts and labour warranty and free kerbside delivery.

Have you tried our heavy-duty models?

Top performance for food service professionals

All models feature:

- Climate Class 5
- GN 2/1 compatible shelves
- Natural R 290 refrigerant
- Stainless Steel doors and interior
- Hard wearing enamel coated steel exterior
- Large radius corners for easy cleaning
- Deep drawn shelf runners preventing dirt traps
- External digital temperature display
